3/3/95

Dear David,

Thanks for your note and for telling Gary.

If there is any more in the papers there about Sunheim I'll appreciate copies.

But please remember to include the date.

I've written him what he may regard as an unfriendly letter. As yet no response.

If I get one.

I've laid a bit on his people in Washington, too.

Again thus far without response.

Not all of them. His executive director.

Thanks for your good wishes.

And Chiam is my name. I was named in Yiddish.

Harold
